The Heart of the Fair Street Community

Fair Street is the epicenter for many summer programs

Each year Fair Street International Academy proudly houses a myriad of summer programs, where hundreds of students pass through the school's doors each day. Children come to Fair Street during the summer months to learn and have fun in programs offered by the Boys and Girls Club and the GCSS Migrant program.

The RISE summer program is also offered at Fair Street, consisting of approximately 150 students. With assistance from local community partners, this program helps children improve their academic performance and their social interactions. Activities focus on specialized areas such as music to teach children to develop greater cognitive skills and boost creativity and science education to stimulate children's innate curiosity of the world.

Julio Cabanas, Assistant Principal at Fair Street, has spent his summer ensuring that things are running smoothly at Fair Street while making sure that the children are engaged in a positive atmosphere - filled with love and learning. Mr. Cabanas sees the many benefits of the programs offered and knows how deeply the programs directly impact the children as well as the Fair Street community. "We are very proud of the accomplishments of the students," states Mr. Cabanas. "And we look forward to having these programs housed at Fair Street for many more years to come!"

Points of Pride

Please join us in welcoming Adam Lindsey, the newest member of the Red Elephant family. Mr. Lindsey will assume his new role as the new Assistant Principal and Athletic Director at Gainesville High School on July 10th.

For the past three years, Mr. Lindsey has served as the Athletic Director for grades 6-12 at Jackson County High School where he was selected as the 2017 Class AAA State Athletic Director of the Year and Region 8 Class AAA Athletic Director of the Year. His list of accomplishments as an athletic director include 5 Region Championships, 6 Region Runner-up titles, 1 State Runner-up title, 2 Final Four appearances, 8 Sweet Sixteen appearances, and 3 Individual State Champions titles. Under his leadership, the school's athletic program finished 10th in Class AAA in Georgia Athletic Director's Association (GADA) points in 2016.

Mr. Lindsey's educational experiences include teaching positions in the areas of Physical Education, Special Education, and Construction. He has also coached football, golf, track, and wrestling.

"As a current athletic director, Mr. Lindsey has implemented processes that can have an immediate impact at GHS," states Tom Smith, Principal of Gainesville High School. "Examples of these processes are a student leadership program, marketing strategies to connect the community and school, monthly head coaches' meetings, pre and post evaluation processes for coaches, and a self-assessment tool to gather feedback from coaches to support his own growth." Mr. Smith states, "Our goal was to find someone who could lead our already strong athletic department, and I am extremely confident that we found that person in Adam Lindsey."

Support Our REACH Scholarship Program

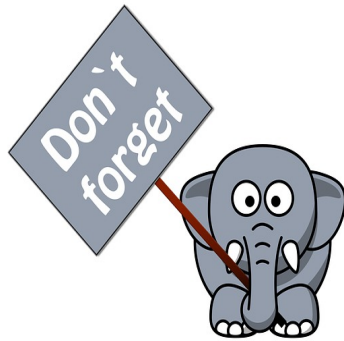

2016 REACH Georgia Scholars

Gainesville City School System encourages the community to support our REACH Georgia Scholars program by making a financial contribution to provide an opportunity for select GCSS students to pursue a college education. REACH Georgia is a needs-based scholarship program that pairs middle school students (Scholars) with mentors, coaches and additional resources to prepare them for college and careers. REACH Scholars who successfully complete the program and graduate from high school earn a \$10,000 scholarship paid over four years at a Georgia college or technical college of their choice. 100% of all donations collected will contribute toward REACH scholarships. To download a pledge form, please click [here](#). For additional information regarding the REACH program, please click [here](#).
