

# GAINESVILLE CITY SCHOOL SYSTEM

Have You "Herd"?

## Greetings from Our New Superintendent

GCSS Superintendent - Dr. Jeremy Williams

Welcome to Gainesville City School System, home of the Red Elephants and one of the first Charter Districts in Georgia. We are eager to partner with you as we build ONE GAINESVILLE in the schools and the community. Through collaboration and teamwork, endless possibilities exist for our students.

Our District Strategic Improvement Plan guides the services we provide our students and positively impacts performance at all grade levels.

1. Student-Focused, High Performing Organization
2. High Quality Instruction with Equity of Access for All Students
3. People with a Shared Purpose and Collaborative Culture

These goals serve as the foundation for comprehensive services while tailoring programs to best serve each child's needs. Serving each child allows us the opportunity to showcase our diversity, relationships, and accomplishments. We are proud of the accomplishments of all of our students, and you will find them through various social media outlets, including Facebook, Twitter, and program-specific websites. Our communication with each other and focused involvement benefits ONE GAINESVILLE, and its strength has no limits.

ONE GAINESVILLE will only succeed when every student has multiple advocates and every stakeholder actively pursues excellence for students in every facet. Each student has a right to reach their maximum potential, and it is our responsibility to cultivate opportunities that inspire, nurture, challenge, and prepare them for their future. It takes a team to develop the potential of our young people, and you are important to their future.

I thank you for your commitment to the Red Elephant family, and I encourage you to add value into the lives of our students and those around you.

Sincerely,

Jeremy H. Williams, Ed.D.

## Class of 1952 Celebrates 65th Reunion

The GHS Class of 1952 reunited this summer under the leadership of class president Jim Waldrep. This class attended GHS at the "Gym of '36" building on Washington Street and was the first class to attend school for twelve years, a change mandated by the Georgia General Assembly adding a twelfth grade to all public high schools. At the reunion, the class voted its "Most Favorite Teacher" as Leon Hughes, who taught English at GHS then became the founding principal at Enota Elementary School.

"Although members have lived in many locations over the U.S., through the years we have kept in touch thanks mostly to the efforts of class president, Jim Waldrep, who has maintained contact and spearheaded regular reunions through the years," said classmate Dan Clark. "Our 65th reunion was a special evening of remembering other classmates, funny stories, and fond memories."

The Class of 1952 had a wonderful time reminiscing about the past, and the classmates look forward to meeting again at their next reunion to talk about the "good times" shared by all who attended their beloved GHS.

## Proof of Residency Requirements

## Support Our REACH Scholarship Program

2016 REACH Georgia Scholars

Gainesville City School System encourages the community to support our REACH Georgia Scholars program by making a financial contribution to provide an opportunity for select GCSS students to pursue a college education. REACH Georgia is a needs-based scholarship program that pairs middle school students (Scholars) with mentors, coaches and additional resources to prepare them for college and careers. REACH Scholars who successfully complete the program and graduate from high school earn a \$10,000 scholarship paid over four years at a Georgia college or technical college of their choice. 100% of all donations collected will contribute toward REACH scholarships. To download a pledge form, please click [here](#). For additional information regarding the REACH program, please click [here](#).
