

## REACH Georgia Pledge Form

**REACH Georgia** is a needs-based scholarship program that pairs middle school students (Scholars) with mentors, coaches and additional resources to prepare them for college and careers. REACH Scholars who successfully complete the program and graduate from high school earn a \$10,000 scholarship paid over four years at a Georgia college or technical college of their choice. Many colleges are matching and double matching the REACH scholarship. Please consider making a tax deductible donation to support these Scholars' college access and completion. For future Scholars, beginning in 2017-2018 the school district commits to providing 35% of the scholarship with the remaining 65% coming from State REACH funds. **100% of your donation will be used for scholarships!**
