

The Enota Heritage Celebration

April 30, 2017 (1:30—3:30)

Remembering 63 Years of Rich Enota Heritage!

The school will be open for guests, alumni, and community members to walk through and reminisce together. Help us celebrate Enota's rich heritage as we prepare for the new chapter of the Enota story!

Enota Plant Sponsors

Certain plants from the Enota campus will be available for anyone who would like to sponsor plants for the new Enota Garden. More information on how you can become an Enota Plant Sponsor will be available soon!

Purchase Your Very Own Enota Brick

Our PTA will be offering for purchase bricks from the original, 1954 Enota building. For only \$25 you can have your very own commemorative Enota brick as a timeless keepsake. Each brick will be stamped with the Enota name and will be suitable for displaying in home or office. You may place your brick order at the Enota office.
